

Our MyDoc Health Employer Plans are designed to:

- Fit your budget!
- Provide your employees with convenient access to quality medical care through in person or virtual visits
- Allow you to offer a valuable benefit that your employees will use and love
- Improve your employee's overall wellness and productivity

MyDoc Health has 3 small business plans to choose from:

1. Telemedicine Only
2. Set # of visits for all employees to use/share (Unlimited telemedicine can be added if desired)
3. Set # of visits for each employee to use

1. Telemedicine Only

- Start offering benefits at a cost your small business can afford
- \$25 per employee per month
- Unlimited virtual visits with the MyDoc Health team via phone or video calls
- MyDoc Health can perform diagnosis for minor medical conditions through a phone or video call. If necessary, prescriptions can also be written.

*If the employee is experiencing an emergency medical condition, they should always go to the hospital

2. Set # of visits for all employees to share

- \$75/month for 4 visits per year. \$150/month for 8 visits per year... increasing in increments of \$75/month for an additional 4 yearly visits
- If your employees use all of the visits on your plan, we can simply add more visits to your plan (with your approval)
- MyDoc Health team will come to your employee's home or office and perform in person diagnosis and treatment (telemedicine can be added for \$10 per employee/month if desired)

*If the employee is experiencing an emergency medical condition, they should always go to the hospital

3. Set # of visits for each employee to use

- \$75/month per employee for 4 yearly healthcare visits and unlimited telemedicine
- MyDoc Health team will come to your employee's home or office and perform in person diagnosis and treatment of their condition OR conduct the visit over phone or video call if employee would prefer this option (unlimited telemedicine)

*If the employee is experiencing an emergency medical condition, they should always go to the hospital
